## MUSIC TO ROCK YOUR SOCKS OFF, ALL ON TOP A SLAP UP FEED.

A most enjoyable evening took place at the Shed last Friday with a good number of members, partners and guests attending. We enjoyed an excellent BBQ complete with salads and exotic deserts. Afterwards an enthusiastic audience listened to a great selection of songs and instrumentals played by Geoff and the Boys. No less than 3 encores were demanded. The evening was organised by the social committee as part of their plan to provide more social events for members. Many thanks to them and the helpers.
