

# THE SHEDLIGHT

Number 101 - 29th May 2021

## BIGGEST MORNING TEA

This event last Friday was organised by our social committee and was one of many held across Australia. Funds raised will go to the Cancer Council to assist those people with cancer. About 80 members and friends turned up bearing plates of tasty food. There was much chat and merriment. One poor fella without a car turned up on his bike in order not to miss out.
