MEN'S SHED OPEN DAY 20th NOV 2021

Some 800 plus visitors came to our Shed Open Day. Around 36 other community groups were there to display their wares or give out details of their organisation. Men's Shed made items were on sale in the workshop. The music group played in the Wiltshire Room where models and art were also displayed. Food stalls and kids activities were set up outside and The Pin Wheel was popular. Many thanks to the committee and many helpers who put in hours of work to stage a great day.
