VOLUNTEER'S LUNCH

This event was held recently at our Shed to celebrate the contribution of volunteer groups in the Gosnells area. It was attended by our members plus members from other Gosnells groups. Chairman Ray Smith spoke about the important role of Volunteers and reminded us that we are all volunteers. The event was funded by Lottery West and the excellent catering was provided by the Friends Of The Community group. All together it was a very enjoyable occasion. Thanks to the organisers.
